

Strong leadership is fundamental in driving school improvement. Leaders have a key role in setting direction and creating a positive and ambitious school culture for the benefit of students, staff and the wider community.

School leaders can face many varied challenges including;

- Ensuring a robust strategic vision for the school
- Developing relationships with the community it serves
- Developing consistently good teaching and learning
- Implementing a coherent, well sequenced curriculum
- Managing behaviour and attendance
- Deploying the school's resources effectively and efficiently

The Polaris Trust has extensive experience in guiding and supporting leaders to achieve all of the above. We achieve this by developing expertise through extensive leadership development opportunities and sharing collective experiences.

We can support leadership development through;

- Coaching and mentoring
- Vision and culture development
- School improvement planning frameworks
- Systems leadership support
- Leadership development training programmes such as teaching, curriculum and behaviour
- Leadership quality assurance processes
- Leadership performance management
